Organizational Chart

Student feedback mechanism on Institutional Governance/faculty Performance

The norms of the duties of faculty-

- To make the students follows them through self examples of regularity, punctuality to classes, and quest for learning, consciousness and diligence, such that the students get motivated through their teacher's overall personality and wish to regard fully emulate him.
- To progressively monitor the attendance and performance of students in their classes.
- To utilize the state of the art equipment available in the laboratories and to ensure that the class-room teaching gets complemented through the practical experiments, resulting in conceptual understanding of the topic.
- To adopt innovative practices for teaching in class and laboratories.
- To prepare and continue to add to question/answer bank for their subject.
- To ensure general discipline of students and to carry out within the stipulated time, all instructions and complete all responsibilities allotted by the HOD.

Grievance redressal mechanism for faculty, staff and students

The students are free to discuss any matter academic or non-academic with the faculty or management and the students can freely give their complaints and suggestions in the boxes provided.

The faculty has frequent meetings with all the staff members, principal and members of management. The faculty is free to suggest means to improve the academic atmosphere of the institute. They are free to discuss their scheme for their welfare.

Two faculty members are on the panel of board of governance. They can actively participate in the management of the institute.
